¹ Applicant's budgeted fees in the instant Fifth Interim Application were based upon the blended rate of \$692 per hour for all timekeepers from the Applicant's Fourth Interim Application (Doc. No. 8403). During the months covered by Applicant's Fifth Interim Application, Applicant's staffing resulted in a decrease in the blended rate for all timekeepers from \$692 per hour to approximately \$650 per hour; however, Applicant did not apply its customary annual rate increases, which rates became effective in January 2020, to the professionals for their services to the TCC as a courtesy to the TCC and the estates. In addition, Applicant's blended hourly rate for services performed on behalf of the TCC are well below Weil, Gotshal & Manges LLP's blended hourly rate of \$1,015. The fees sought in this Fifth Interim Application continue to be inline with the fees budgeted.
